LETTER SUBMITTING CORRECTED PETITION

Dear Ms. Creasy:

With reference to your letter of August 10, 2005 dismissing the Petition under 37 C.F.R. 1.137(b) and application serial no. 11/105,241, Applicant's attorney has discovered that the Petition was filed for the wrong application.

The Petition should have been filed for the parent application serial no. 10/826,943 filed April 16, 2004. Apparently, Applicant's attorney and his secretary mixed up the files and the Petition was erroneously filed on the Continuation In Part application rather than on the parent application.

Accordingly, a corrected Petition for the correct application is attached. Since a refund is due for the Petition fee on the Continuation In Part application, Applicant requests that the fee be credited to the attached Petition on the parent application.

Applicant thanks the Petitions Examiner for her assistance in this matter and apologizes for sending in the Petition on the child application rather than the parent application.

Respectfully submitted,

WELSH & KATZ, LTD.

In re Application of

Application No. 11/105,241
Filed: April 13, 2005
Attorney Docket No. 93793

:
: DECISION DISMISSING
: PETITION UNDER
: 37 CFR 1.137(b)
:

This is a decision on the petition, filed June 1, 2005, which is being treated as a petition under 37 CFR 1.137(b) to revive the instant nonprovisional application for failure to timely notify the U.S. Patent and Trademark (USPTO) of the filing of an application in a foreign country, or under a multinational treaty that requires publication of applications eighteen months after filing. See 37 CFR 1.137(f).

The petition is DISMISSED as Moot.

Upon careful review of the application file, there is no evidence that a request under 35 U.S.C. 122(b) (nonpublication request) was ever filed. In view thereof, the petition is dismissed as moot.

Additionally, petitioner may request a refund of the petition fee by writing to the Office of Finance, Refund Section. A copy of this decision should accompany petitioner's request.

Telephone inquiries concerning this decision should be directed to Karen Creasy at (571) 272-3208.

This matter is being referred to Technology Center AU 2859.
